

<p><b>A proposal to borrow funds to finance improvements to the water system within the Town of Blades, Delaware.</b></p> <p>Shall the Town of Blades, Delaware (the “Town”) borrow up to \$375,000, made available by the Delaware Department of Health and Social Services through its Drinking Water State Revolving Fund? The proposed project consists of the installation of a third back-up well and ancillaries along with a new raw waterline. The loan will be amortized over thirty (30) years at an interest rate of 1.0%, with accrued interest payable during construction of the proposed project. (42.8% of the loan (up to an amount equal to \$160,500) will be forgiven and not have to be repaid by the Town).</p>	<p><b>VOTE FOR ONE (1)</b></p>
