Park Pavilion Reservation

Welcome to the Blades Town Park!

It should be understood that the Town Hall will give special attention to keeping your affair as private as possible but this is a **Public Park** and other visitors may be in the park near you. Special groups will be expected to obey all park rules and regulations and to clean the pavilion area after its use. **We also request that all trash be put in the dumpster after your affair. Full payment is required before the date requested will be reserved. If you reserve the park but fail to show up on the agreed upon date for picking up the key, all funds will be forfeited to the Town of Blades.** Thank you for your cooperation and I hope your group has an enjoyable day in Blades Park.
