PARTNERSHIP BENEFITS

Landlords gain several benefits from using HUD-VASH and SSVF resources. Consider the following advantages:

- **Guaranteed income**
Receive reliable monthly rental payments*
- **Security deposits:**
Veterans can often afford the monthly rent, but have difficulty saving enough money for their security deposit. As a result of their enrollment in HUD-VASH or SSVF, veterans may be eligible to receive this one-time payment.
- **Eliminate advertising costs**
Working with these programs gives you access to a pool of ready-to-rent tenants
- **Case management**
Veterans have access to a case manager to train them on such topics as personal budgeting, understanding rental agreements, housekeeping and general apartment maintenance, being a good neighbor, etc. resulting in less turnover.
- **Satisfaction from helping others**
Everyone deserves a safe and affordable place to live. Housing Delaware Veterans plays an integral role in helping Veterans and their families take charge of their lives, as well as making Delaware a better place to live.
