

TOWN OF BLADES
ORDINANCE 434
VACANT BUILDINGS

Sec. 1. - Purpose; applicability; definitions.

- (a) *Purpose.* The purpose and intent of this article is to establish a registration and identification program of vacant buildings within the town. Vacant buildings are detrimental to the surrounding buildings and neighborhoods in which they exist. The article is also to ensure the public health, safety and welfare insofar as they are affected by vacant buildings within the town. The health, safety and welfare of the neighborhoods in which vacant buildings are located are of the utmost importance to the town, as is the general community character in which these vacant buildings are located.

Sec. 2. - Monitoring, inspection and condition standards.

(a) The building inspector shall inspect any premises in the town for the purpose of enforcing and assuring compliance with the provisions of this article. Upon request of the building inspector, an owner shall provide access to all interior portions of a vacant building in order to permit a complete inspection.

Once a building/structure/unit or residence (hereon after referred to as building) is registered as a vacant building, the vacant building shall be inspected annually for as long as it is considered vacant.

Sec. 4. - Registration and registration fee.

(a) *Registration of building.* There are two ways to register the building as vacant.

(1) The owner shall register with the town not later than 30 days after any building in the town becomes vacant, as defined.

The registration of the vacant building shall include the site address, the name of the current owner or owners, current address of the owner and of all applicable owners, tax parcel number, proof of insurance on the building, description of the condition of the building, plans for the building (to eliminate the vacancy), the responsible person or agent and their contact information and any other applicable information. If any information changes the owner is responsible for informing the town of those changes in a timely manner.

(2) The building inspector or his designee, shall investigate any property that may be subject to registration. Based upon his findings, the building inspector may register the property as a vacant building subject to this chapter.

a. *Notice of registration.* Within five business days of such registration, the licensing and permitting office shall notify the owners of the registered property by certified mail at their last known address according to the records of the town and Sussex County.

b. *Registration fee.*

(i) The annual registration fee shall be paid at the time of registration. If the building inspector registers the building as vacant the fee shall be due not later than 30 days after the building is registered as vacant. The annual registration fee will then be due on the registration anniversary date every year after that as long as it remains vacant. The starting point for counting a building as being vacant will begin on the date of the enactment of this article.

(ii) The annual fee is \$300

Sec. 5. - Violation and penalties.

(a) If the registration fee is not paid within 30 days of being due, the owner shall be in violation of this article.

- (2) The fee will be assessed to the parcel's tax bill.
- (3) The fee shall be paid in full prior to the transfer of title.
- (4) The fee shall be paid in full prior to the issuance of any building permits for the subject building and for any other building that is owned by the owner within the town.

Sec. 6. - Exemptions—Types of buildings eligible for exemption status from the registration fee.
