**HERE ARE OUR PROGRAMS  
THAT CAN REALLY HELP!!**

Some save money, some protect your  
health and safety, others will help reduce  
neighborhood crime.

There are also programs that deal with  
education and jobs for underserved  
populations.

## MERCHANT-ON PROGRAM

### Financial help for facility upgrades

Energy assessments are the perfect starting point to learn cost-effective ways to make businesses more energy efficient and more profitable. The Help Initiative will help small businesses get financial assistance for expensive facility upgrades.

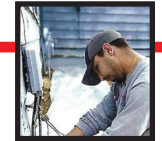

#### We will:

- Help reduce operating costs
- Provide interior and exterior LED fixtures
- Fund high-efficiency heating
- Fund heating controls
- Fund Energy Management Systems

Call the Help Initiative of DE at 833-888-0410.

Complete an application; we will arrange assessments and possible funding.

## JOBS-ON PROGRAM

### Help Initiative has secured an agreement with the Department of Labor-State of Delaware to create a Pre-Apprenticeship Program

- Recruit, select candidates.
- Train underserved, low skilled candidates.
- Job training leading to a registered apprenticeship program.
- HVAC • Building construction
- Electrical service
- The program can lead to a certificate in building science principles.
- Pathway to higher paying long-term employment.

## WINDOWS-ON PROGRAM

### Free evaluation of home window safety

- Prevention of falls from windows.
- Window guards
- Installation of window inserts to reduce drafts, save energy costs (saving on heating and air conditioning) and promote childhood safety.
- Energy savings to consumers
- Jobs and job training opportunities
