

PETITION TO STOP CYPRESS LANDING

BACKGROUND	Insight plans to build a new 94 townhouse development in the Town of Blades. This project will eliminate 10 acres of forested area and wildlife habitat. Potential impacts may also include increased traffic along Concord Road and additional stress on our town resources such as water supply, and emergency response capability. Construction is planned to begin Summer, 2024.
ACTION	We, the undersigned, believe that further study by our Planning and Zoning Commission is needed prior to submitting a recommendation to the Blades Town Council. Therefore, we ask the Planning and Zoning Commission to recommend "NO" to the Blades Town Council until additional impact studies are conducted.
