Please provide a brief description of the intended work to be done:

Total Estimated Cost of Work:

I certify that all the information contained in this permit is true and correct. All aspects of the work associated with the planning, pursuit and completion of the project shall be in accordance with the ordinances of the Town of Blades as determined by the appropriate town official(s). **I also understand that I must attach plans or a sketch of the intended improvement(s) in triplicate. I will provide verification documentation of the estimated cost if so requested.** I also certify that any or all damages to any or all property, which occurs as a result of the planning, pursuit and completion of this project, shall be repaired by me and at no cost to the owner of the damaged property.

Note: Fee will be doubled if construction is started without permit. Permit becomes VOID in 12 months.
