Water Boil Advisory- Precautionary Notice

The Town of Blades is issuing a precautionary **Boil Water Advisory Effective Immediately**, until further notice.

As a precaution, residents are advised to boil all water used for:

- **Drinking**
- **Cooking**
- **Making Ice**

Water should be brought to a rolling boil for at least one (1) minute before use, then allow to cool.

This advisory is being issued **out of an abundance of caution** due to a fire hydrant accident that drained the water tower. At this time, there is no confirmed contamination; however, this measure is being taken to ensure the safety and well-being of all residents.

The Town will provide updates as more information become available and will notify residents when the advisory has been lifted.

We appreciate your cooperation and understanding
If you have any questions, please contact Town Hall 302-629-7366.

Sincerely,

Nancy McAdams, Mayor

Mary Reza, Town Administrator
